

You are invited to our online summer party

Saturday, 20th July, 7:00pm - 8:30pm (JST)

Put on your favorite summer wear, top up your glass with a refreshing drink and get ready to soak up some virtual sunshine with your fellow SCBWI Japan members.

We'll toast our fellow members and share what we've been up to this year, celebrating achievements and breakthroughs, big, small and all sizes in-between.

For any of our translators interested in applying for the new [SCBWI Translation Grant](#), we'll be happy to go over any questions you have or check out pitches for this grant. Or, if you're working on any other pitches or queries feel free to test them with us.

And we'll be opening up the discussion to find out how we can help you, so please feel free to share suggestions and ideas for future events.

Click on the green button to register, or send an email to Mari Boyle: japan@scbwi.org

After you register you'll receive further details on what to prepare and Zoom links for the event.
